The Power of 

Product Overview

TELIN has helped MSPs, VARs, IT consultants, and master agents alike provide quality service while increasing profit margins. TELIN is connected to hundreds of tier 1 carriers worldwide to provide the best quality routes for your clients. With international termination available, we can service over 100 countries while remaining ISO27001 and GDPR compliant, without the use of grey routes. With scalable plans and the ability to choose your own margins, it has never been easier to provide top-tier solutions for your clients. We offer unlimited usage per channel plans, as well as pay as-you-go plans which can be shared across unlimited extensions, making it easier than ever to choose the most cost-effective solution for your valued customers. Whether you are new to the VOIP world or a seasoned expert, our highly trained staff is here to help you simplify and manage your deployments so that you can focus on what matters most: growing your business.

Why TELIN?

- Utilizing 100+ upstream carriers
- Best route available in that area
- Built-in Redundancy
- Scalable price plans (channels, buckets, or pay as you go)
- ONE partner to deal with (SIP, hosting, hardware, licensing, and more)
- NO Grey routes (lack of quality, security, and is unethical)
- MEGAPORT (direct, secure, private path)
- SLA for Support and Uptime

Pricing Options

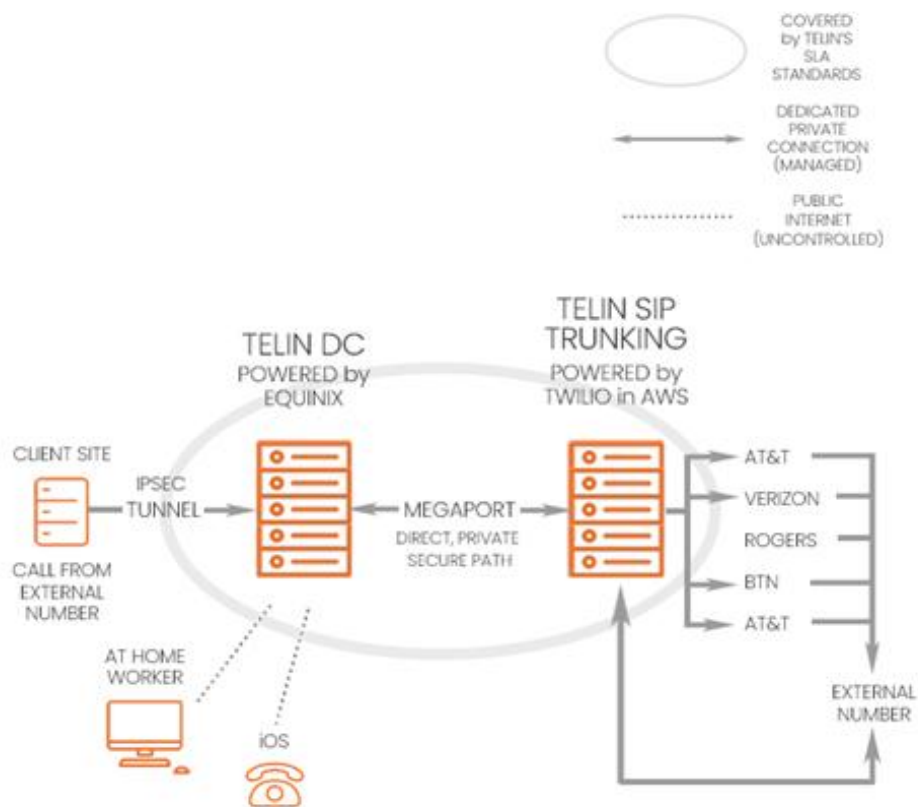

Unlimited Usage Per Channel Plan = \$13.99/Channel (USD) \$16.99 ,(CAD) , \$18.99(AUD)

- Rule of thumb when quoting this, $\frac{1}{3}$ of the extension count is a rough estimate of channels needed for the average business.
- Comparable prices in the US: \$15-\$20/channel (Partner Price)
- Comparable prices in Canada: \$18-\$25/Channel (Partner Price)

Pay-As-you-go = Starting \$0.007/minute (USD) or \$0.01/minute (CAD)

- This is negotiated based on one or a combination of the following: volume, spend commitment, and/or term length. Please contact your sales representative for more details about the tiered pricing.
