

# One.AppStore

The Power of 

List Your Unified Communications or VoIP App – Reach Global MSPs, VARs & 3CX Resellers

## Showcase Your App. Expand Your Reach.

### Showcase Your UC or Telecom App Inside TELIN one.console

The TELIN AppStore, hosted on the TELIN one.console platform, is a dedicated software marketplace designed to connect UCaaS, VoIP, and 3CX software vendors directly with our network of trusted telecom resellers, MSPs, and VARs across the USA, Canada, and Australia.

Whether you offer call recording, CRM integrations, monitoring tools, or billing solutions, the TELIN AppStore helps you reach new markets, scale your visibility, and boost channel sales.

## Why Join the TELIN AppStore?

### ○ Visibility to a Qualified Audience

Get your app in front of our global network of telecom professionals managing active UCaaS, PBX, and VoIP deployments and client environments.

### ○ Direct Partner Engagement

Partners can contact you directly for demos, solution design, and quotes, shortening your sales cycle.

### ○ Amplify Your Exposure

Get featured in:

- Partner newsletters
- Co-branded marketing campaigns
- TELIN training sessions and events

### ○ Built-In Marketing Support

You may be featured in:

- Monthly partner newsletters
- Co-branded LinkedIn and email campaigns
- Webinars, expos, and TELIN training events

### ○ Strategic Placement

Appear directly within the TELIN one.console alongside SIP trunking, cloud PBX, hardware, and billing tools.

### ○ Fair Revenue Sharing

- Keep 80% of net revenue
- TELIN retains 20% for platform, support & marketing
- TELIN handles tax collection and remittance

### ○ Partner-Focused Support Model

- TELIN covers Tier 1 support
- Vendors handle Tier 2 & 3 with a dedicated account manager
- Prompt escalation process for complex issues

### ○ Secure & Compliant Integration

Apps must meet TELIN's platform compatibility and security guidelines. Our team provides onboarding documentation and support.

## How to List Your App?

1. Submit your application: [sales@TELIN.com](mailto:sales@TELIN.com)
2. We'll assess app quality, security, and partner fit
3. Upon approval, we'll help you create your listing and marketing plan
